_____ Utilities and Government - \$1,500/annual company dues

_____ Energy Efficiency Contractors - \$3,000/annual company dues

Dues are based on HARDI's Fiscal Year which is from January 1 – December 31. First year dues, excluding initiation fee, are calculated on months remaining in the fiscal year, once the Board of Directors approves the application.

In the space provided below please supply your company profile and experience or interest in the HVACR industry:

Under Federal Law, contributions or gifts to HARDI are not tax deductible as charitable contributions. However, they may be deductible as ordinary and necessary business expenses. Dues are deductible as ordinary and necessary business expenses to the extent that they are not utilized for lobbying purposes. Under the Omnibus Budget Reconciliation Act of 1993, HARDI must estimate the percent of dues which will be expended for lobbying and notify members of the amount of their non-deductible dues. For Fiscal Year 2018, we estimate this amount to be 6% of your dues.

ENERGY EFFICIENCY PARTNERS

For an Even GREATER Return on your Dues Investment

Elect a Premier, Sustaining or Contributing HARDI Membership

Among HARDI's Energy Efficiency Members are companies who elect to support the Association via increased levels of support at the Premier, Sustaining or Contributing Level. In return for their additional measure of support they enjoy a host of exceptional ADDITIONAL benefits. These benefits are constructed to provide not only additional visibility for the individual Premier, Sustaining or Contributing Member firm, but an even greater RETURN ON INVESTMENT as well. If you participate and take advantage of the savings available, the combined benefits far outweigh the cost of dues. It's like getting your membership for FREE! So look over these advantages and see how important they can be to you and your firm for the coming year.

Premier, Sustaining and Contributing Membership are based on our fiscal year from January 1st thru December 31st
