INTEGRATED WHOLESALE SUBSIDIARY MEMBERSHIP APPLICATION

Any wholesale distribution business for HVACR equipment, parts and/or accessories which operates as a subsidiary of a non-wholesaling incorporated business entity such as a manufacturer, mass merchandiser, entity, energy provider, consolidator or e-commerce business, and whose corporate parent maintains Supplier Membership is eligible to make application for Integrated Wholesale Distributor Membership. Additionally, said wholesaler shall have completed and can verify completion of a minimum of one year in business, sells to dealer-contractors for resale and shall **not** engage in the residential service or contracting of heating, refrigeration or air-conditioning equipment. (The corporate parent of the Integrated Wholesale Distributor making application is required to maintain a Supplier Membership in the association to ensure continued interaction with other wholesale distribution members.)

Any individual affiliated with, or employed by, a corporate subsidiary is eligible to make application, provided such individual is in a position of policy-level management for the applicant company.

Completed applications shall be submitted to the HARDI offices. Upon approval of the application by the Board of Directors and receipt of membership dues, the applicant shall become a member.

Integrated Wholesale Subsidiary members in good standing shall have the right to one vote and to all other rights and privileges of membership.
